

FOR IMMEDIATE RELEASE

Corona Research Welcomes New Employee Juliet Romo and Holly Leyendecker

Denver, Colorado – April 16, 2007 – Corona Research, the leading market/demographic research and strategic planning in the Rocky Mountain region, firm welcomes Juliet Romo, Office Assistant and Holly Leyendecker, Qualitative Research Analyst, to the staff.

Juliet brings six years of administrative and customer service experience. Ms Romo is active in the community. She has volunteered at Bonfils Blood Center and the Adams County Senior Citizen Center. Ms. Romo is a graduate of Westminster High School in Denver.

Prior to joining Corona Research, Holly was an employee at First Research in Raleigh, North Carolina. At First Research, Ms. Leyendecker researched the economic conditions for every U.S. state, data that is used by businesses around the country. Ms. Leyendecker is also active in the community. She has volunteered with the Audubon Society. Ms. Leyendecker holds a Master of Business Administration degree and a Bachelor of Science in Marine Biology degree, both from the University of North Carolina at Wilmington.

Both Juliet and Holly enjoy photography.
